

Calvary Lake Request for Architectural Review

Please provide the Architectural Review Committee with all information necessary to thoroughly evaluate the request. This form must include a site plan with dimensions, any plans and elevations, color chips (if applicable) a detailed description of request, list of materials, pictures (if applicable) as well as any other information required by the ACC guidelines approved by the community. Please fill out this form along with two copies of the request and return to the Architectural Control Committee. One copy will be returned to you. Please allow a maximum of 30 days for a response; however, we will try to answer all requests as soon as possible.
